

...BECAUSE THE GRASS DOESN'T HAVE TO BE GREENER ON THE OTHER SIDE!

If it snows one more time I'm going to cry!

Ever since we stopped mowing in October, it has been either raining or snowing! It may seem light years away but Spring will come soon (I hope!) and then it will be time to think about your lawn!

Our newsletter is a way to inform you about some of our changes and it also reminds you that spring is around the corner! It's time to start thinking about your lawn!

Once again we have many choices to choose from to allow you to select what package is best for your lawn. (all prices are based on a 6000 sq. ft. lot).

Please notify us as to

the package that best suits your needs.

We have our website to allow you to have better access and knowledge about GrassBoys.

We have made it much easier to pay your bills by credit card or paying directly on our website.
